

RETRO RINSE

LAUNDROMAT

WELCOME TO RETRO RINSE

IF YOU CAME HERE TO AIR YOUR DIRTY LAUNDRY

You came to the right place.

At Retro Rinse we believe laundry shouldn't be just a chore. So, we mixed in outstanding washers and dryers with great coffee, good food, fast wi-fi and chill vibes. Everything you need to turn laundry day into something you might actually enjoy.

Retro Rinse is a fully self-service laundromat. This booklet will guide you through our prices, a few simple do's and don'ts, and a tips to make the most of your time here. Our team is always nearby if you need help getting started.

So grab a drink, get comfortable and let's spin things your way.

– Team Retro Rinse –

OUR OUTSTANDING MACHINES

ARE ENGINEERED FOR HYGIENE

Our Foggia washers with UV light eliminate germs and proven 99.9% bacteria removal*, even on low temperatures.

*China Detection Center of Microbiology (Test report no: 2021FM05060R01)

HAVE HIGH PERFORMANCE EXTRACTION

Our Foggia dryers have high G-Force that delivers faster drying.
Because we understand your time is money.

HAVE SMART CONTROLS

Our Foggia machines have a large size touchscreen that simplify operation and monitoring. Doing laundry should be easy.

WE USE HIGH QUALITY WATERFILTERS

Our carbon filters clarify, absorb odours and reduce iron in the water, while our softener filters reduce water hardness (calcium) in the water.

Additionally, our housing filters filter solid sediment particles (sand, mud, moss, crust, rust, etc.) in the water.

OUR WASHER PROGRAMS

RINSE & SPIN

19 min rinse and spin cycle.

QUICK WASH

33 min wash cycle for lightly worn clothes or small loads.

All prices are subject to 5% service charge and 10% tax

BEFORE YOU ACCESSORIZE

USE OF LAUNDRY BASKET

- Laundry baskets are for clean laundry only.
- Please return and neatly place the basket back to its original position after use.

USE OF EXTRA/OWN DETERGENT, SOFTENER AND BLEACH

- The washing machine cycles already include carefully measured detergent and softener, which are released at the correct moment during the cycle. Do not add softener to the drum, as the cycle begins with the main wash.
- The use of bleach or other harsh chemicals in the machine is strictly prohibited.

Please ask a team member for assistance if you need help.

USE OF THE IRONING STATION

- Check the iron's soleplate for cleanliness.
- Follow the garment's fabric care label for temperature recommendations.

BE KIND TO THE MACHINES

PLEASE DO NOT OVERLOAD

Please follow the maximum limit of 22 kg per machine for the best results. If the laundry exceeds the machine's capacity, the washing/drying results will not be optimal. Clothes may come out unclean/still damp.

PLEASE DO NOT WASH THE FOLLOWING ITEMS:

- Shoes and sandals of any kind.
- Clothes or pillows belonging to pets.
- Doormats or thick carpets.
- Special party clothes/costumes or fabrics like sequins, paillettes, studs and other metal objects.
- Flammable items (such as oily rags, thinner, chemicals, etc.).
- Powdered detergent or Bayclean.

These items might damage the machines, and/or clothes during the next cycle.

PLEASE DO NOT INTERRUPT

Do not open the machines mid spin. Let the machines cook.

If for any reason you need to pause the cycle, or open the machine, please alert staff and wait for assistance.

BEFORE YOU START

BEFORE LOADING THE MACHINE, MAKE SURE ALL POCKETS ARE EMPTY

Items such as paper and metal can damage your clothes as well as the machines. Double check your pockets before putting your laundry into the machine.

MAKE SURE YOU SEPARATE YOUR LOADS BY COLOUR

Separate your whites from coloured and light-coloured items. Beige, tan, pastel & light-colored items can bleed, even in cold washes.

CHECK THE DRUM

Make sure the drum is empty before you load your laundry. Someone might have left something behind.

HOW TO USE THE MACHINES

PICK YOUR PROGRAM(S)

Choose one of our washer and/or dryer programs and pay at the cashier in order to get your tokens.

THE MACHINES

We have 4 machine stacks. Each stack has a washer below, a dryer on top. On the left side of the machine stack, you will find the display and the token slot for the dryer. On the right side of the machine stack you will find the display and the token slot for the washer.

YOU HAVE YOUR TOKENS

Load your laundry in the machine and close the door. On the display of the machine of your choice, the 'Door opened' notification will disappear. Now select your program on the display, insert the required amount of tokens, press 'START' and sit back and relax.

KEEP IT CLEAN AND SAFE

KEEP THE LAUNDRY AREA CLEAN

You're here to clean your clothes, so most likely you're a spiller. If you spill something in here, please alert the staff. They will help you clean it up.

Please do not litter, but use the designated bins to dispose of your trash.

AFTER UNLOADING THE MACHINE(S)

Please use the designated area with the folding table and ironing station to sort, iron, fold, and pack your clothes, so the laundry area remains clear for other users.

WATCH YOUR KIDS (THE ONES WITH 2 AND THE ONES WITH 4 LEGS)

- Do not let your kids play near the machines.
- Do not lean, sit, or climb in or on the machines.

BEFORE YOU LEAVE

CHECK THE DRUM

You might leave something behind. We are not responsible for any lost items.

YOU SNOOZE, YOU MIGHT LOSE

If you leave the outlet while the machines are still doing your dirty work, other guests have the right to unload your laundry from the machines once your cycle is complete.

We are not responsible for any damage or loss of laundry.

CHECK THE IRONING STATION

Make sure you turn off the iron after use and fold the iron board back into the table. Someone else might get hurt.

CHECK THE LAUNDRY AREA

Make sure you take all your belongings with you and throw away your trash.

TERMS AND CONDITIONS

BY USING THIS LAUNDROMAT, YOU AGREE TO THE FOLLOWING TERMS:

- The laundromat is not liable for any damage to or loss of laundry, including shrinkage, colour run, or fabric damage. Please read all garment care labels and the Rinse Rules carefully.
- Laundry left unattended is the sole responsibility of the user. We are not liable for any loss or removal of items left behind, including after closing hours.
- Only items suitable for machine washing and drying may be used. Items such as rugs, pet bedding, oily or flammable materials, or heavily soiled commercial items are strictly prohibited.
- Use of the laundromat card is subject to separate Terms & Conditions. Cards remain the property of Retro Rinse and must be handled responsibly.
- In case of machine error or malfunction, please contact staff immediately for assistance. Do not attempt to fix the problem yourself.
- CCTV is in operation for the safety of our guests and premises. Security personnel are present, yet customers are responsible for their own belongings at all times.
- Please treat the machines, space, and fellow customers with care. Misuse of equipment or facilities may result in denied access and or penalties.
